

Wascomat WE17 Washer & TD17 Dryer

Saves space, water and energy. Ideal for Coin and On-Premises Laundries.

Non-metered models

Built to last and Energy Star® rated, Wascomat's WE17 washer and matching TD17 dryer can be placed side-by-side or stacked to save floor space. Front mounted controls and extra large doors provide easy access, loading and unloading, and comply with ADA requirements.

Washer features:

- No bolt-down, high extract washer designed to replace water-guzzling, energy-wasting topload washers. Quick and easy soft-mount installation and setup.
- Better wash results with reverse wash action and professional wash cycle with three rinses.
- Only uses 24 gallons of water. Reduce water and energy consumption up to 40%.
- Washer – only 26-7/8" wide x 27" deep – fits in same space as topload washer.

Dryer features:

- Safe, quiet and fast drying performance.
- Mounts easily to bottom of washer.
- Dryer – only 26-7/8" wide x 27" deep.

Coin metered models

The ideal choice for:

- Self-service apartment laundry
- Bed & Breakfast and Inns
- Hotel/motel guest laundries
- Drycleaners
- Senior resident and retirement homes
- Health clubs, beauty salons and barber shops.

Temperature settings	4

** Coin meter housing adds 7.25" to height of machines.

Refer installation and servicing to qualified, licensed personnel. Always read installation and operating manuals and consult local codes before installation. Protect machines with properly rated, inverse-time, common-trip, industrial-type circuit breakers ONLY. Warranty void if not properly installed. Advise when placing order if dryers are for installation at altitudes in excess of 1000 feet above sea level, as this may require a gas-orifice change. Consult a qualified engineer to determine suitability for upper-floor or over-basement installations. Contact Wascomat for more information and availability of machines for electric services not listed. Specifications subject to change without notice. Wascomat assumes no responsibility for errors or omissions in this information.
